## 卅二公館

Mott 32 pays homage to 32 Mott Street in New York, where the city's first Chinese convenience store opened in 1891. The store served as the nucleus for what is now a vibrant Chinatown in one of the most dynamic cities. Our contemporary Chinese restaurant is thus a celebration of Hong Kong culture and culinary tradition.

The provenance of our ingredients is of paramount importance to us as we embrace unique flavours discovered globally. We practice ethical sourcing by using organic and sustainable ingredients, wherever possible, while also working closely with farms to ensure the uncompromising quality of the food our culinary team prepares.

In partnership with Zero Foodprint Asia, a 1% surcharge is added to all bills to help fund regenerative farming practices.

We carve using a unique technique that locks in all the juices developed by our founders making it a true feast fit for royalty as it was intended. Due to the time-intensive preparation process, the duck is available in limited quantities, and are available by pre-order only. Recommended for around 3-4 guests, the duck will be freshly roasted upon your arrival.
